

Outsourcing O&M 2017

**Multi-client market report by OneStone Consulting S.L.
103 pages, 65 charts, 5 tables, executive style, full colored**

This new market report provides information about the O&M servicing sector in the cement industry. The market potential for O&M services comprised 450 US\$m, excl. China, and is forecast to increase to 950 US\$m by 2025. The market report provides an insight into the different services such as O&M services, technical management and technical assistance of complete cement plants or specific plant sections. Up to now 102 such service contracts have been made. In the last 5 years 43 contracts have been awarded of which 23 are still active. The report analyses these projects in detail and provides benchmark data from leading cement producers including Lafarge, Holcim, HeidelbergCement, Cemex and others.

Report description

The Outsourcing O&M 2017+market report analyses in detail the projects in the period 1985 to 1H 2017 on a country base for all world areas, excl. China with type of contract, start, end, customer, supplier, kiln capacity managed, etc.

Methodology: The projects listed in the market report are mainly derived from the reference list and achievement records of the suppliers. In cases where information from company records was not comprehensive enough intensive research has been done to clarify the data. Interviews with market experts have been used to obtain and verify the information, and to access future market development. The quality of crosschecking of data in our primary research is, to the best of our knowledge, unparalleled worldwide.

For whom is the report intended? This market report is intended for market-informed decision making. This will be especially useful for cement equipment suppliers as well as O&M departments of cement producers, cement plant consultants and analysts.

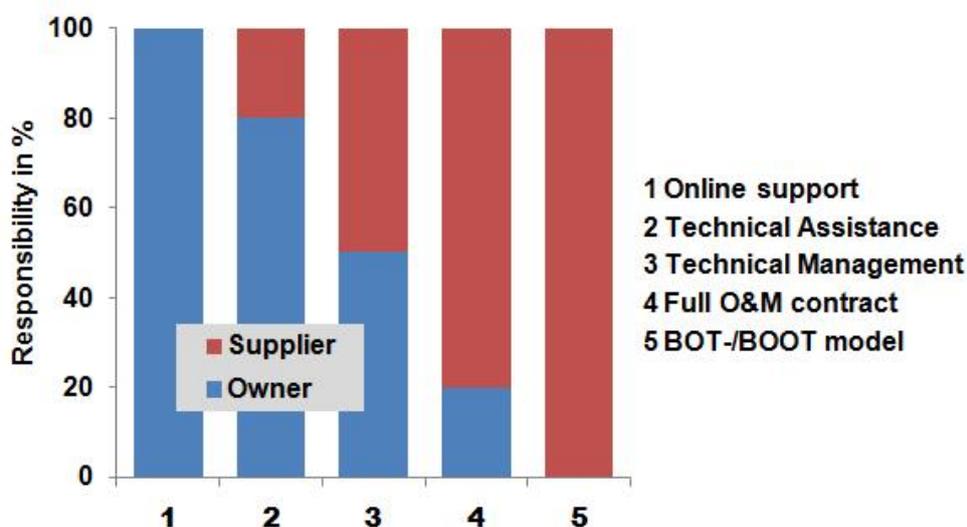

Table of contents:

- **Introduction**
- **Executive summary**

- **Market drivers and trends**
 - Productivity improvements
 - Possible energy savings
 - Sustaining CapEx in relation to depreciation
 - Sustaining and Development CapEx
 - Tight cost management
 - Capacity utilisation rates
 - Production costs of a cement mayor

- **O&M market potential and benchmarks**
 - Fixed and variable COGS
 - Maintenance budgeting: fixed and variable costs
 - Maintenance budgeting and economies of scale
 - Maintenance budgeting: Structure
 - O&M spending by a typical cement plant
 - O&M market potential (in 2016, excl. China)
 - O&M market potential (in US\$bn 2016)
 - Forecast of the market potential
 - Key Performance Indicators (Operational)
 - Key Performance Indicators (Maintenance)
 - Kiln stoppages
 - OEE: Overall Equipment Effectiveness
 - World Class scores
 - Average net OEE of a major producer
 - OEE and NAI (mills) of a major producer
 - Kiln NAI of a major producer
 - Reliability centered performance
 - Kiln MTBF of a major producer
 - MTBF of kiln lines of a local major
 - MTBF (mills) of a major producer
 - Maintenance cost index (MCI)
 - MCI (mills) of a major producer
 - Relationship between shutdowns and costs
 - O&M cost benchmarks
 - O&M operational transformation

- **O&M strategies by suppliers**
 - Overview O&M Services
 - Oneline Support
 - Technical Assistance
 - Technical Management
 - Full O&M Contract
 - BOT / BOOT Models
 - O&M collaboration concept
 - O&M payment models
 - O&M performance guarantees

Breakdown:
Projects 1985 – 1H2017
Type of contract
Contract period
Regions and countries
Customers and suppliers
Kiln capacity managed
Market shares

- Analysis of O&M contracts
 - Contract development all years
 - Type of contracts
 - Breakdown by region (all contracts)
 - O&M contracts by region/country
 - TM/TA contracts by region/country
 - Contract development last 5 years
 - Last 5 years, breakdown of contracts by region
 - Last 5 years, breakdown by type of contract and region
 - Last 5 years, breakdown of O&M by type and region
 - Last 5 years, Full O&M, numbers and capacity by year
 - Last 5 years, Full O&M contracts, numbers by region
 - Last 5 years, Full O&M contracts, numbers in Africa
 - O&M contracts by suppliers, all years
 - Market shares by suppliers, O&M Contracts
 - Market shares by suppliers, TM/TA Contracts
 - Last 5 years, Full O&M contracts by supplier
 - Market shares by suppliers, Full O&M Contracts
 - O&M contracts in other industries
 - Plant sections for O&M contracts in the cement industry
 - Typical O&M customers
 - Regulatory issues and tax issues

- Conclusion

- Annex
 - O&M contracts in Africa by year
 - O&M contracts in the Middle East by year
 - O&M contracts in the Rest of the World by year
 - World areas, abbreviations, index, contact
